

# A Super b Col l ection of Over 200 Phot ogr aphs of Lit t l ebor ough

**This book of photographs and explanatory text compiled by Littleborough Historical and Archaeological Society from its own extensive collection, chronicles the changing life and times of Littleborough and its residents over the last 150 years. Featuring chapters on people at work and play, schools, transport, industry and public events, this volume provides a valuable insight into how ordinary people lived and worked in the industrial community of Littleborough.**

The book is published by Tempus Publications Limited, Stroud Gloucestershire and copies are available directly from the Society by completing and returning the form below with a cheque for £12.99 (if postage is require please add £2 p&p) payable to LHAS. Please email for cost of posting multiple copies
